

Residential Talk a Lot and Residential Talk a Lot More

The Residential Talk a Lot and Talk a Lot More Long Distance Plans are bulk volume plans that provide a preset number of unmetered domestic long distance calling and a metered rate for usage in excess of the preset number (“cap”).

The plans are not available on a casual calling (1010xxx) basis.

Enrollment in the plan is subject to acceptable credit history and the company reserves the right to deny service for failure to pay for services by the date shown on the invoice.

The plan is limited to interstate and intrastate domestic direct dialed calls 1+ calls. Standard rates apply for directory assistance, operator handled, and international calling. Calls to locations within the 0-16 mileage band are included with the plan but do not count toward the usage cap.

Rates above the cap are billed in whole minute increments, rounded up to the nearest whole minute. All charges are round to the nearest whole cent.

Rates are subject to additional fees for taxes and USF surcharges.

Rates shown are for full service rate, including both the intrastate and interstate components. The intrastate portion of the service offering is also provided under Ringgold Telephone Long Distance Georgia Tariff No. 1. Rates are subject to change.
